AQUATIC

The bath people

WHAT MAKES AN AQUATIC BATH GREAT?

IT'S MORE OF A QUESTION OF 'WHO?'

Behind every product is an expert—an engineer, a designer, a machine operator—someone who is passionate about making bathing a comfortable and enjoyable experience for everyone. So when you choose Aquatic, you're choosing more than a shower, tub or other bath product. You're choosing people who are the best at their craft. And that means you can relax knowing you're getting the best quality, value and options for your specific need.

AFR: Allows for above the floor installation of waste, overflow and drainage.

2603BSTM AFR

Material : AcrylX™

Min: 47 Gal
Max: 49 Gal

Features

- 1-Piece tub shower
- Smooth square tile wall finish is easy to clean with no messy grout lines
- Bowed front skirt creates a larger bathing basin
- Molded toiletry shelves
- Ergonomic backrest for bathing comfort
- This AFR unit accommodates the installation of drain, waste and overflow above the floor
- Right or left hand drain
- Slip resistant, textured floor for safety
- ArmorCore™ reinforced bottom< for extra strength/ li>
- AcrylX™ applied acrylic surface
- Whirlpool Features:
- Whirlpool pump
- 6 directional hydrotherapy jets
- Color matched trim
- Available in White and Biscuit/Linen only
- Pneumatic on/off control
- Advanced safety suction
